***Hi! Attached is a faxed copy of the January Minutes from the Jacumba Sponsor Group, and Mr. Pape's application. The Group members received DPLU's correspondence re: the membership application process as well as copies of the application for prospective members to complete and submit to the County. I spoke with Patti Costa again yesterday and reminded her that we still need letters from her and Debbie Schwab formally announcing their resignations, and a vote from the Group on their recommendations for Mr. Pape membership. Patti Costa indicated in our conversation yesterday that the letters will be sent and the Group will make a formal recommendation re: Mr. Pape at their next meeting later this month. All will be sent to me/you then.***
